

IRON BEDS

There's something about an iron bedstead that is attractive. It looks stronger than a wooden bed, and it is. It looks neater than many wooden beds look and it is. It is easier to keep clean. No one denies that. Let us show you our line of IRON BEDS. We have a large line of these with a wide range of prices, and all our iron beds are attractively priced.

WOODEN BEDS—

Why, of course, we have Wooden Bedsteads, too, if you prefer them. If we don't happen to have as expensive a Wooden Bed as you wish, then just tell us what you want. We will do the rest, just as quick as the railroad can bring it in.

LIFE

IT CAN BE A SUCCESS OR A FAILURE. WHICH WILL IT BE? YOU?

Look at the men who are successful in the eyes of the world. Ninety-nine out of every hundred started a Bank Account when they were young—and stuck to it.

And now, look at the failures. Very few of them have a Bank account now. Not speaking of when they were young.

Perhaps you think you have not enough money to start a Bank account. Haven't you a dollar? That's all it takes at THIS BANK.

Just try it for a year or six months. If you do not wish to continue it, you have lost nothing by the trial.

Which Will It Be—Success or Failure? IT'S UP TO YOU.
